MEDICAL MUTUAL®

EYEMED APP

Mobilize your vision benefit

has partnered with EyeMed Vision Care to offer an app that helps you get the most from your vision benefit experience - anytime, anywhere.

Features of the EyeMed app include:

- Benefits and eligibility
- Claims tracking
- Special offers to help you save more
- Provider Locator to find in-network eye doctors
- Upcoming exam reminders
- Contact lens replacement reminders
- Wellness interactives to help you see better and live healthy
- Facial Recognition, Touch ID and Apple Wallet for Apple users
- Helpful FAQs

To access and use the app, simply:

1. Search "EyeMed" in the App store, iTunes or Google Play and download the app to your mobile device
2. Register using your member ID
3. If you have already registered an account on the vision member website, you can log onto the app using the same account information
